Event - organizing committee | La Marche du rein Estrie - 37545 Skills based volunteering

You are a committed person in your network. You want to make a tangible contribution to people's lives. You're the person who brings people together, who organises, who turns ideas into projects.

The RCF needs you! We're offering you a key role in our organisation.

Reporting to the Chapter President - Estrie, you will be responsible for :

- Taking part in the Kidney Walk event and planning meetings (the date of the 2024 Walk will be confirmed among these options : May 25 to June 16, or September 7 to 29);
- Coordinate the management of one aspect of the event (to be determined according to your interests, skills and competencies) :
 - o Coordination (planning, monitoring work and committee meetings)
 - o Mobilisation (recruitment of participants and fundraising teams)
 - o Sponsorship and partnerships (finding and soliciting financial partners).

Although the ideal committee is made up of one person responsible for each component, it is possible to group certain responsibilities together depending on the skills and/or time available to each member.
